Terms and Policy

1.) No arguments regarding the results of any stage of the competition shall be entertained. Participants are expected to graciously accept all results announced and Team TechExpo shall ensure that all projects are judged fairly by the judges.

2.) Projects of winners are going to be assuredly offered mentorship by the esteemed professors of IIT Guwahati. Other than that of the winner, other projects shall be awarded mentorship if they are found to be having potential by our professors.

3.) The winners of previous editions of TechExpo are not allowed to return with the projects which have already won an award. However, they are welcome to participate with another project.

4.) Contestants whose ideas are similar to winners of previous editions of TechExpo are expected to have some major upgrade/advantage to the older projects. Failure to do so would lead to disqualification. Kindly check here /*Winners page hyperlink*/ for seeing the projects of previous winners.

5.) For travel reimbursement, make sure to keep the travelling ticket no matter what means of transportation is used. Also, contestants are expected to provide their bank account number. This is to ensure that contestants who are awarded travel reimbursement get the equivalent non-AC train fare without any hassle directly into their accounts.
